

Bring new guests to your counter.

goZaika helps curious diners discover a limited, chef-curated BAM Bag, reserve it, and pick it up directly from your restaurant.

WHY RESTAURANTS USE GOZAIKA

1

Be discovered

Introduce your kitchen to diners looking for something worth showing up for.

2

Create a counter moment

Pickup brings the guest into your restaurant - with no delivery handoff.

3

Stay in control

You set the quantity, pickup window, and required food disclosures.

ONE SIMPLE PICKUP FLOW

01 Publish

Create a limited BAM Bag release with timing and disclosures.

02 Reserve

A diner discovers and reserves the pickup in goZaika.

03 Pick up

Your team verifies the handoff at the counter.
